MAIN CONFERENCE

Virtual, Live Q & A with Presenters: Thursday, November 4, 2021, 8:30 a.m. to 4:00 p.m.

Join us, once again, for a full day of content and speakers featuring Minnesota's very own experts!

The Charting the Cs Main Conference is a statewide professional development event featuring Minnesota practitioners who lead the field of low incidence special education with evidence-based practices, practical strategies and innovative instruction. The conference is opened with a keynote presentation by a highly regarded professional in the field of low incidence special education and followed by several breakout sessions addressing a variety of topics.

The Charting the Cs Conference Leadership Committee (CLC) uses the Council for Exceptional Children's High Leverage Practices, along with Minnesota's academic standards to guide the process of annual conference planning. The CLC is committed to providing an accessible conference experience and uses WCAG 2.0 AA as a general standard for all forms of media used in our conference platform. Participation in the Main Conference is a prerequisite to joining the Charting the Cs Community of Practice (CoP) each year.
